

VILLAGE OF EAGLE
NOW HIRING
FULL TIME MAINTENANCE PERSONNEL

The Village of Eagle (Population 1,024) is currently accepting applications for a full time Maintenance Personnel position. This position requires a variety of duties including the operation and maintenance of light, medium and heavy equipment such as street sweepers, snowplow trucks, backhoes, skid steers and mowing equipment; operation of the well system and wastewater treatment facility; routine building and property ground maintenance; general repair and maintenance of equipment; and experience in basic plumbing and construction or maintenance techniques. Municipal or maintenance background preferred. Candidate must have a valid Nebraska driver's license. Physical and background check required upon offer of employment. **Certification as a Class IV Water Operator and Class II Wastewater Operator desired or may be required within 12 months of employment.** Salary range is \$12.00-\$18.00 per hour (without Water and/or Sewer License); \$15.00-\$25.00 per hour (with a single Water or Sewer License); and \$18.00-\$28.00 per hour (with both a Water and Sewer License). Benefits package includes health, dental, vision, disability/life insurance, retirement, paid vacation, holidays and sick leave. Applications can be obtained at the Village of Eagle office located at 747 South 2nd Street, Eagle, NE 68347 or online at www.eaglencity.org. **Applications will be accepted until the position is filled.** Please contact Nick Nystrom at 402-781-2748 or by e-mail at nick@eaglencity.org for additional job description information.
