

Water/Wastewater Operator Needed

The Village of Shelby is accepting applications for the position of a full-time Water/Wastewater Operator. Salary negotiable DOQ. This individual will perform tasks in the construction and maintenance of the Village's water distribution and sewage collection system as well as help with the mechanical operations of wastewater treatment facilities. The position includes benefit package including health insurance, retirement, vacation, sick leave and holidays.

A complete job description is available by contacting the Village Office at cc04550@windstream.net or 402-527-5198. Position will remain open until filled. The Village of Shelby is an Equal Opportunity Employer and job vacancies are subject to Veteran's preference.
