

“OLD GUY” NEEDS A LITTLE HELP By Russ Topp, Circuit Rider

Remember the "Old Guys" who are always at the spring conference. They are easy to pick out of the crowd because they always show up with neon green t-shirts that say the "Old Guys." Dwight Nickel from Western, Old Guy #1 - aka "Butch," caught Alan Krupicka from Tobias, Old Guy #2 - aka "Pidge," recruiting help to open a curb stop for Margie Durflinger, the Village Chair of Alexandria.

The next time you are by any of these towns please stop in and see if you can lend a helping hand to the "Old Guys." They may need it.
