NeRWA is sponsoring this special training for the benefit of its membership.

Competent Person for Excavation and Trench will be held on Wednesday, August 23. Confined Space Entry will be held on Thursday, August 24. Both classes will be held at the NeRWA office.

Instructors for both training sessions are Mid West Fire Training Associates of Burlington, Kansas. Their staff consists of Certified Professional Instructors and the two training courses have been recognized as meeting OSHA requirements for these topics.

Both Excavation/Trench and Confined Space Training provide hands-on opportunities for participants, using MSFTA's portable training equipment. Each class is specially designed for municipal water and wastewater personnel, electric and gas utility workers, fire and rescue personnel, line and street crews and others who need to be aware of trench, excavation and confined space hazards.

Cost for attendance is \$140 a day per person.

Class each day will be 8:00-5:30. Morning and afternoon breaks will be provided along with one hour for lunch.
